The screenshot shows the AWS Console Signup page in a browser window. The browser's address bar displays the URL `portal.aws.amazon.com/billing/signup#/start/otp`. The page features the AWS logo at the top center. On the left, a section titled "Explore Free Tier products with a new AWS account." includes a link to `aws.amazon.com/free` and an illustration of a hand holding three cubes. On the right, the "Sign up for AWS" section contains a "Confirm you are you" heading, a message about email verification, a text input field for the verification code (containing "074673"), and "Verify" and "Resend code" buttons. Two red arrows point to the code input field and the "Verify" button. At the bottom, there is a "Didn't get the code?" section with a bullet point stating that codes can take up to 5 minutes to arrive.

AWS Registration

- Enter information
- Postal Code: 120000

The screenshot shows the AWS Console Signup page. The browser address bar displays 'portal.aws.amazon.com/billing/signup#/account'. The page features the AWS logo at the top center. On the left, under 'Free Tier offers', three options are listed: 'Always free' (Never expires), '12 months free' (Start from initial sign-up date), and 'Trials' (Start from service activation date). A red arrow points to the 'Personal' option under 'How do you plan to use AWS?'. The 'Contact Information' section on the right contains several input fields: 'Full Name', 'Phone Number' (with a country code dropdown set to '+91'), 'Country or Region' (set to 'India'), 'Address' (two lines), 'City', 'State, Province, or Region', and 'Postal Code'. Red arrows point to each of these fields. At the bottom, a checkbox 'I have read and agree to the terms of the AWS Customer Agreement' is checked, with a red arrow pointing to it. An orange 'Continue (step 2 of 5)' button is at the bottom right, also with a red arrow pointing to it.

Free Tier offers

All AWS accounts can explore 3 different types of free offers, depending on the product used.

- Always free**
Never expires
- 12 months free**
Start from initial sign-up date
- Trials**
Start from service activation date

Having trouble? Sometimes it takes up to 10 minutes to retrieve a verification code. If it's been longer than that, [return to the previous page](#) and try again.

AWS Registration

- Choose Basic support - Free

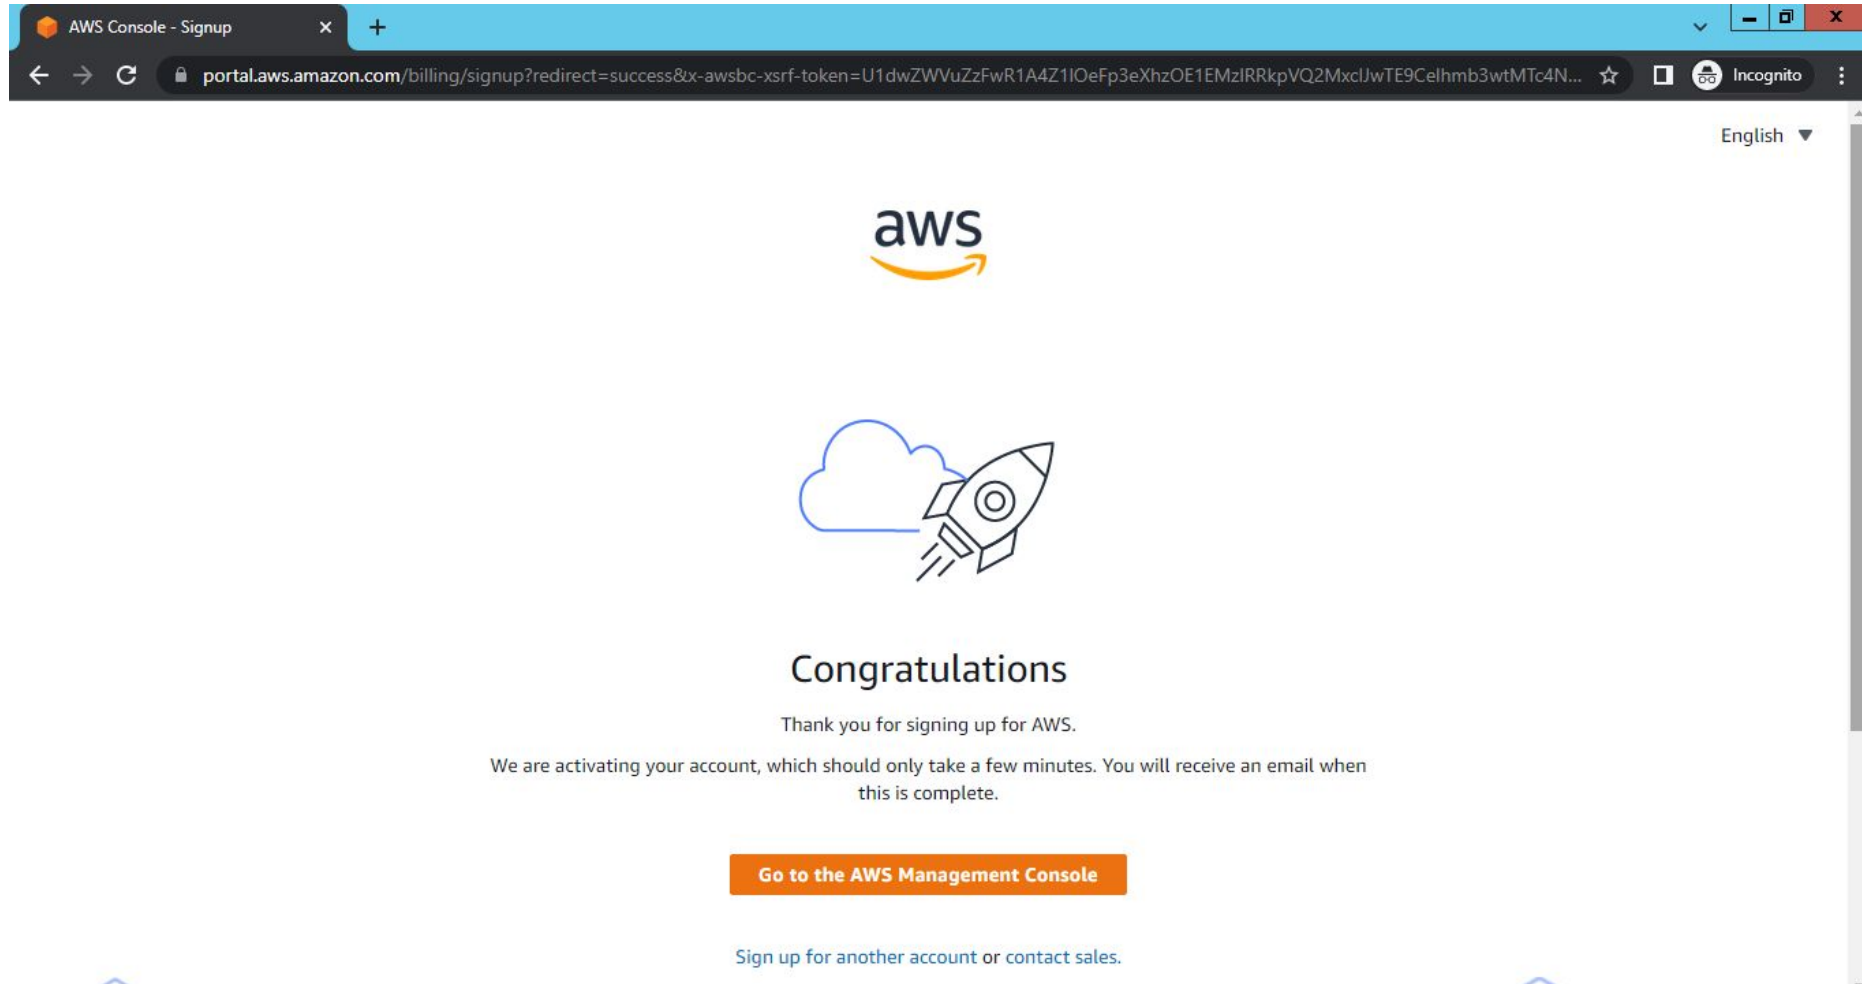

The screenshot shows the AWS Console Signup page. The browser address bar displays the URL: `portal.aws.amazon.com/billing/signup?redirect=success&awsbc-xsrf-token=U1dwZWVuZzFwR1A4Z1l0eFp3eXhzOE1EMzIRRRkpVQ2MxclJwTE9Celhmb3wtMTc4N...`. The page title is "AWS Console - Signup". The main heading is "Sign up for AWS". Below this is the section "Select a support plan". A note states: "Choose a support plan for your business or personal account. [Compare plans and pricing examples](#). You can change your plan anytime in the AWS Management Console." There are three plan options, each with a radio button and a list of features:

- Basic support - Free** (Selected, indicated by a red arrow):
 - Recommended for new users just getting started with AWS
 - 24x7 self-service access to AWS resources
 - For account and billing issues only
 - Access to Personal Health Dashboard & Trusted Advisor
- Developer support - From \$29/month**:
 - Recommended for developers experimenting with AWS
 - Email access to AWS Support during business hours
 - 12 (business)-hour response times
- Business support - From \$100/month**:
 - Recommended for running production workloads on AWS
 - 24x7 tech support via email, phone, and chat
 - 1-hour response times
 - Full set of Trusted Advisor best-practice recommendations

Below the plans is a section titled "Need Enterprise level support?" with a building icon. It states: "From \$15,000 a month you will receive 15-minute response times and concierge-style experience with an assigned Technical Account Manager. [Learn more](#)". At the bottom, there is an orange button labeled "Complete sign up" with a red arrow pointing to it.

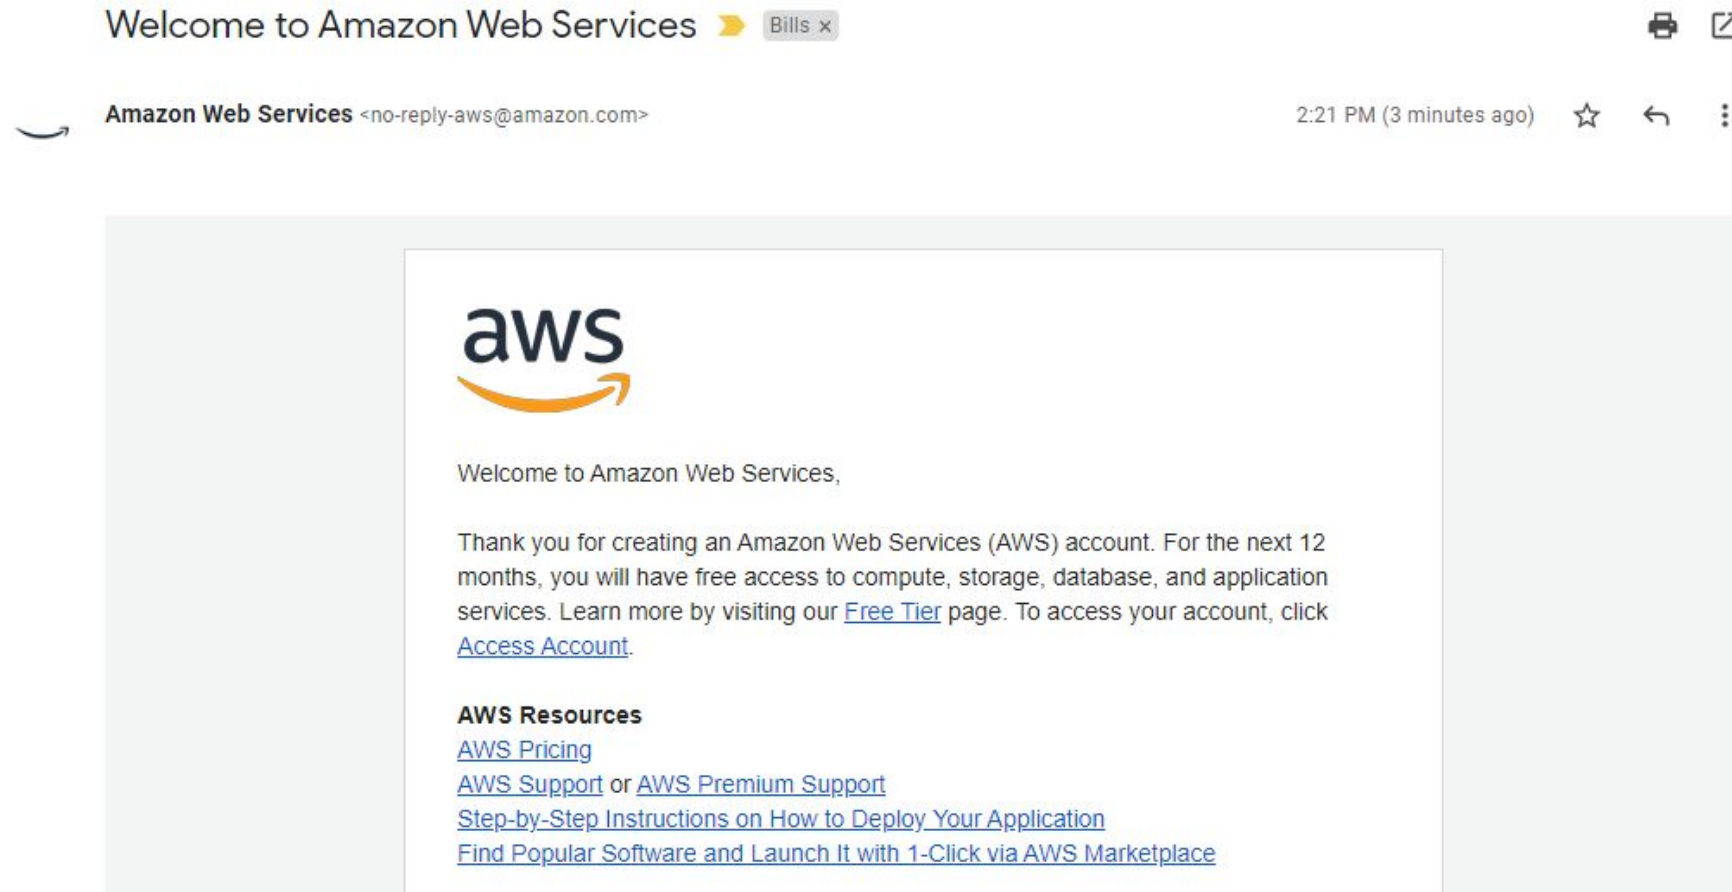

AWS Registration

- Sign in

The screenshot shows the AWS Sign-In page in a browser window. The browser's address bar displays the URL: `signin.aws.amazon.com/signin?redirect_uri=https%3A%2F%2Fconsole.aws.amazon.com%2Fconsole%2Fhome%3Ffromtb%3Dtrue%26hashArgs%3D%25...`. The page features the AWS logo at the top. Below it, the "Sign in" section contains two radio button options: "Root user" (selected) and "IAM user". The "Root user" option is highlighted with a red arrow. Below these options is a text input field for the "Root user email address", also highlighted with a red arrow. A blue "Next" button is positioned below the email field, with another red arrow pointing to it. At the bottom of the sign-in section, there is a link to "Create a new AWS account" and a checkbox for "New to AWS?". To the right of the sign-in form is a promotional banner for "Amazon Lightsail" with the text "Lightsail is the easiest way to get started on AWS" and a "Learn more »" button. The banner also features a cartoon robot character.

AWS Registration

- Service Dashboard

The screenshot shows the AWS Management Console for the EC2 service in the Asia Pacific (Mumbai) region. The interface includes a top navigation bar with the AWS logo, a search bar, and a region dropdown set to Mumbai. A left-hand navigation pane lists various EC2 services, with 'Instances' and 'Images' expanded. The main content area is divided into several sections:

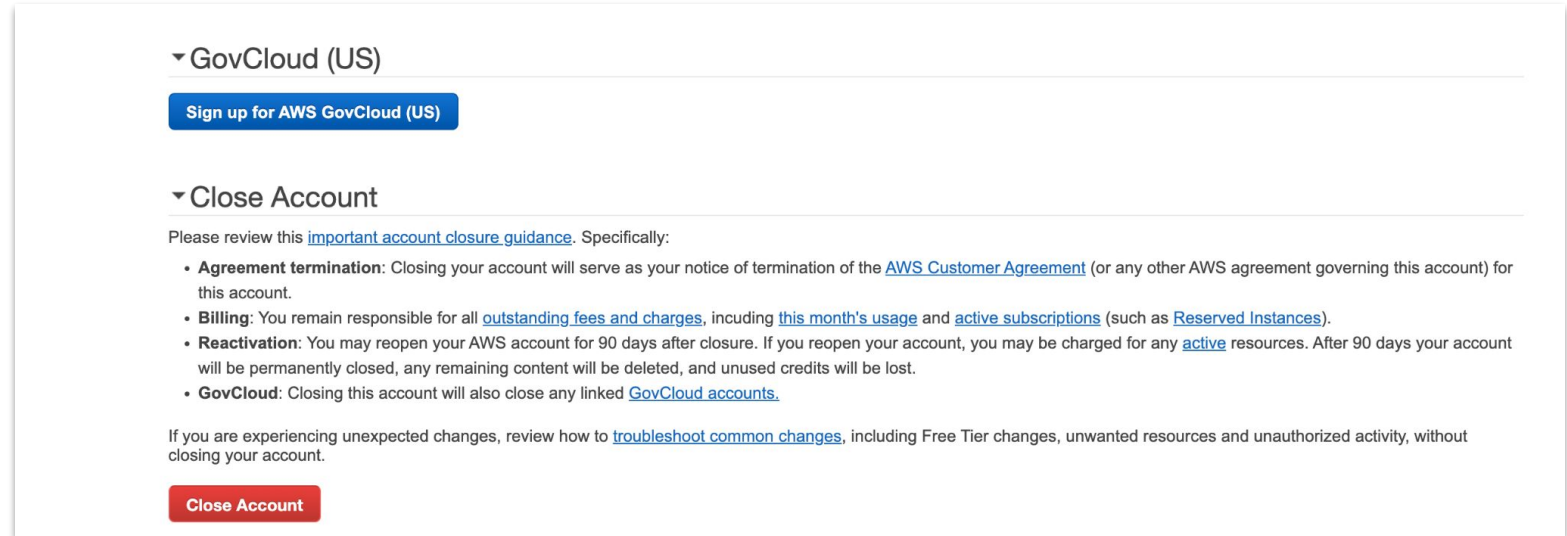

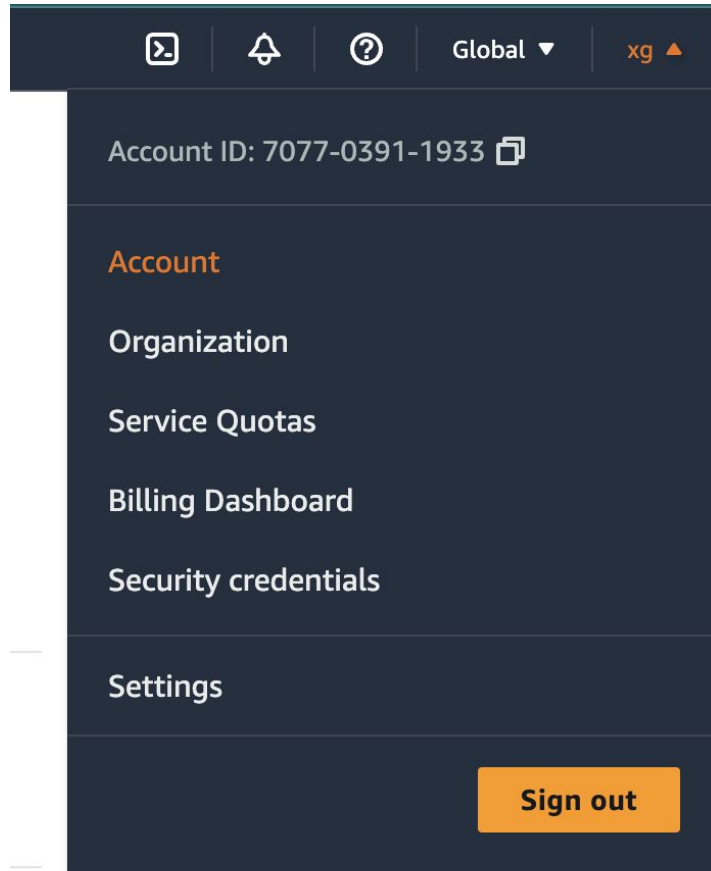

- Resources:** A table showing the number of EC2 resources in the region. A notification banner at the bottom of this section promotes Microsoft SQL Server Always On availability.
- Account attributes:** A list of account settings and configurations, including supported platforms, VPC, default VPC, settings, EBS encryption, zones, EC2 Serial Console, default credit specification, and console experiments.
- Launch instance:** A section with a button to launch a new Amazon EC2 instance.
- Service health:** A section showing the health status of the EC2 service.
- Explore AWS:** A section with a button to explore AWS services.

The bottom of the console features a footer with a feedback link, language selection (English (US)), copyright information (© 2022, Amazon Internet Services Private Ltd. or its affiliates.), and links to privacy, terms, and cookie preferences.

Resource	Count
Instances (running)	0

Volumes	0

AWS Close Account

- Go to: **Profile => Account**

A large, faint watermark of the ISTAD logo is centered in the background. It is a circular emblem with a blue outer ring containing the text 'INSTITUTE OF SCIENCE AND TECHNOLOGY ADVANCED DEVELOPMENT' and Khmer text. Inside the ring is a blue circle with a white atomic symbol. The word 'ISTAD' is written in red across the bottom of the inner circle. Binary code '01010100 01000001 01000000' is visible along the top inner edge of the ring.

Thank you
